Listing of Claims:

Claim 1. (*Currently Amended*) A birthday calendar for recording birthdays and other annual dates, comprising:

a rigid, unitary backing, said backing defining a first section and a second section;

a single sheet twelve-month chart disposed on the first section of said backing, said chart having vertical and horizontal parallel arranged intersecting lines imprinted thereon defining a plurality of memorandum spaces for recording a date of an annually recurring event;

a transparent protective cover removably disposed over said chart;

a monthly calendar disposed on the second section of said backing, wherein said monthly calendar is made from whiteboard; and

a plurality of attachment members for removably attaching said monthly calendar to the backing;

whereby the chart provides a record of annually recurring events selectively recorded thereon by an user and the monthly calendar displays the days of the month, wherein both the chart and the monthly calendar are simultaneously visible.

Claim 2. (*Original*) The birthday calendar according to claim 1, wherein said chart is formed by a chart grid having twenty-five columns intersected by a plurality of rows in order to define the plurality of memorandum spaces.

Claim 3. (*Original*) The birthday calendar according to claim 2, wherein columns two through twenty-five of the chart grid are grouped in pairs of adjacent columns, each pair having a first column corresponding to a month and a second column corresponding to a year.

Claim 4. (*Original*) The birthday calendar according to claim 3, wherein the chart grid the plurality of rows includes a top row, the first column of each pair adjacent columns in the top row having indicia therein designating months from January through December displayed therein, the second column of each adjacent pair in the top row having indicia representing the word "year" displayed therein, whereby the top row defines a horizontal legend for the chart grid.

Claim 5. (*Original*) The birthday calendar according to claim 4, wherein said twenty-five columns includes a first column, the first column having indicia displayed therein representing numbers one through thirty-one in separate rows, whereby the first column defines a vertical legend for the chart grid, an intersection of one of the rows with one of the grouped pairs of adjacent columns defining memorandum space for recording an event and a year in which the event occurred in order to permanently record the month, day and year of the event.

Claim 6. (*Original*) The birthday calendar according to claim 5, wherein said chart grid further comprises at least one blank row disposed between each of the rows displaying the indicia representing numbers one through thirty-one, whereby multiple events occurring on identical months and days may be permanently recorded.

Claim 7. (*Canceled*)

Claim 8. (*Previously Presented*) The birthday calendar according to claim 1, wherein said protective cover is made from glass.

Claim 9. (*Previously Presented*) The birthday calendar according to claim 1, wherein said protective cover is made from plastic.

Claim 10. (*Original*) The birthday calendar according to claim 1, wherein said chart is made from a material having a surface capable of retaining indelible ink applied thereto.

Claim 11. (*Original*) The birthday calendar according to claim 1, wherein said monthly calendar has vertical and horizontal parallel arranged intersecting lines imprinted thereon defining a monthly calendar grid having an erasable surface overlying memorandum spaces defined by the grid in order to reuse the grid from month-to-month.

Claim 12. (*Original*) The birthday calendar according to claim 11, wherein said monthly calendar grid has indicia defining a grid having seven rows and seven columns, the seven rows including a top row displaying indicia representing days of a week from Sunday through Saturday, the top row defining a horizontal legend for said monthly calendar grid.

Claim 13. (*Original*) The birthday calendar according to claim 12, wherein said monthly calendar grid further comprises a blank date space disposed in each of the memorandum spaces defined by said rows and columns below the top row, the blank space date being sized and dimensioned for writing a number from one through thirty-one therein representing a day of a month.

Claim 14. (*Canceled*) .

Claim 15. (*Original*) The birthday calendar according to claim 11, wherein said monthly calendar is made from paper having an erasable plastic cover disposed thereon.

Claim 16. (*Original*) The birthday calendar according to claim 1, wherein said monthly calendar further comprises erasable spaces disposed adjacent the monthly calendar grid sized and dimensioned for temporarily designating a current month and year.
